Kala's Schamrock Beau Brock, a proud, liver chestnut gelding Saddlebred arrived at Circle F April 2001 at the age of 25. He was rideable for several years, but because of his age no one adopted him so we decided to have him as our "retirement" horse, the only one we have had. Volunteers loved him. He was our true ambassador, welcoming volunteers on their shift and welcoming new horses. Two of the children living on the property, became his sponsor, giving him a morning hello and an evening good night. For several years we thought he would be leaving us but he remained feisty and strong until the past half year or so. Old age over took him and he was put to sleep in January 2011. He was 35 years old. In human years that would be about 100.! During those almost ten years with us he touched the hearts of all who had the privilege of caring for him. We will miss you King Brock!

Forever Home

"Wouldn't it be grand to have our own home!" volunteers say. We think about this sometimes and dream about it. "If I win the lottery", some say, "Circle F gets a home". This year we want to test the idea. Is a forever home feasible? Would there be interest from major donors? From foundations and corporations? We don't know so will be asking some of the our contacts for their advice and & possible commitment. We invite you to give us feedback, ideas and referrals. Check our website <http://www.circlef.ca/> for our new - Forever Home page!

Highlights of 2010

New Logo

When preparing materials for the Poker Ride and Walk, we felt that Circle F could use a new logo to give us a stronger, more striking identity. We arranged with Belinda Williams, a Graphic Artist, to prepare samples for the Board of Directors to choose from. A new logo was chosen in time for use in the materials and products. A special thanks to Belinda for donating her professional fees in the development of the logo.

Poker Ride/Walk

October 02, 2010 was a beautiful sunny Saturday morning at Campbell Downs Equestrian Centre on 208th St., the site of the Poker Ride. The riders, walkers and sponsors raised just under \$3,500.00 towards the care of the horses. The major sponsor was Cressy Developments of the High Point Equestrian Estates. The Event Coordinator who made the event such a success was one of our volunteers, Kea Bawtinheimer. Winner of the \$1,000.00 poker draw was Mary Larson from Merrit. Look for the event again in September. It will be held at the High Point Equestrian Estates, near the border on 200th St., using the Campbell Valley Regional Park trails. Kea is already making plans for another successful event.

Our Spring On-Line Newsletter will be released next month.
