

## Who We Are ...

**Circle F Horse Rescue Society** is a registered, charitable organization established in 1997. Our mandate is to operate an effective, exemplary horse rescue and adoption organization.

Our purpose is to:

- Care for horses, old or young , who are unwanted or have been abused or neglected
- Provide an alternative to auction or slaughter
- Provide a refuge for horses that no longer fit into the owner's plan
- Place horses, when ready, into a carefully screened, loving adoptive home
- Involve and educate volunteers in the care, maintenance and handling of the horses.

We are located on a small acreage in the Matsqui Flats area of Abbotsford, BC. The site includes a small barn, a three-sided shelter, two isolation paddocks with shelter, riding ring and round pen, large yard and rotated pasture space.
