

Lily –

Lily, a 5 year old Standardbred mare, arrived June 2010 & went to her new home in Langley in July 2010. She was adopted by one of our dedicated and experienced volunteers who just fell in love with Lily's sweet and gentle nature. Lily will have another horse and a pony for buddies and also a couple of sheep! She will be continuing her under saddle training and be having a wonderful life as a trail riding companion and family member.

August 2011

Lily is a very special horse, and we couldn't be happier to have her as part of our family. The first 5 years of her life are a bit of a mystery, but we know she didn't have an easy time of it. When I brought her home, she completed our little herd perfectly. She is sweet and gentle, definitely a follower, with a rather impressive drama queen side to her. She is doing very well with her saddle training, and will always go bitless. She is quick to pick up something new, and tries very hard, and at the same time makes us laugh with her goofiness. I'm not sure how she pulls off being so beautiful and dignified, and yet such a klutz at times :) We look forward to many many years enjoying trail riding, games days, drill team,

hoofball, who knows, maybe some cattle penning or dressage! We know she will do it all with flair!
